

The Survivalcraft: Lord of the Flies Community Agreement

I, _____, agree to be an active and positive member of the Survivalcraft: Lord of the Flies Community and give my best effort in learning new skills. I will read the assigned book (Lord of the Flies, by William Golding), cooperate, share my ideas, and give helpful suggestions to other players. I will respect other players and not use foul or offensive language, including swearing, racist or sexist remarks, or any other form of discrimination (inside and outside of the game).

I will support other players to build and enjoy the game by NOT griefing (disturbing other players' work without their permission) and NOT harassing other players. Examples of this include:

- breaking items or building on other players' property
- taking items owned by other players
- entering buildings owned by other players without their permission
- creating "traps" or placing dangerous blocks in public property
- spawning unwanted animals to bother other players
- "spamming" the chat with repetitive or unwanted messages
- killing a player, even indirectly, outside of designated areas.
- following, sending messages, or otherwise harassing another player after they have asked you to stop

I understand that if I break this agreement, I will be given warnings and asked to change my behavior and my parent(s) or legal guardian(s) will be notified. I understand that if I continue to break the agreement after I have been warned, I will be suspended from the game and expected to discuss my participation and expectations with my teacher before being allowed to return. I will agree to create an additional contract to guide my participation in order to return to the game.

I agree to be banned from the game if I break the additional contract and I understand that I will not be able to complete the game. I understand all of the expectations described above and I agree to participate in the Survivalcraft: Lord of the Flies Community.
